Satguru Antarna Vishraam

Satguru antarna vishraam temna charane sonpo tamaam.
Jemna mukh ni amrutvani, teni vede gati na jani;

Aape adwait gnan prakash, eva guru ni karo sau aash.
Sansaar sagar e tarak, temno updesch moh sanharak,

Vidya, vivek, buddhi aapi, man ni saghadi bhramna kaapi;
Baadi vaasna malin tamam, tena vina nathi aaraam.

Sachi bhaktino marg batave, prabhu na darshan jarur karave,
Made brahmagnani shree gurudev, temni karjo nishdin sev;

Guruna smaran thi urmi jage, kaam, krodh, moh, shatru bhage.
Thaye shanti aprampaar, vahe tya akhand anand dhaar,

Sadguru adbhut shaktidata, temna rang ma banjo rataa;
Chadshe dilne sacho rang, teno maya na karshe bhang.

Ulta nayan na dosh hataave, dyevi bhaavo hriday jagave,
Dhare sacho premi dhyan, nishdin samji saachu gnan;

Sahu bhakto gurukrupa upasi, rahe chhe gurudarshan na pyasi.
Aapne anant vaar pranam, bhajie guruji tamaaru naam.
